TESTIMONIAL

I can most highly recommend Elite Builders Taupo Limited after the total renovation & alteration package they completed for us in 2014.

The quality of their work was exceptional. Steven Painter sourced all the suppliers and service personnel required to ensure the contracted job was completed on time and to a very high standard. He oversaw all aspects of the renovation & alteration.

Any contact with Steven was excellent, he was a consummate professional and extremely courteous and he embraced the concept of teamwork.

His experience spoke volumes in his ability to organize the job required in very tight timeframes. Steven stayed to budget where possible and if there were changes required he contacted me to discuss and actioned as agreed. The success of the job stemmed from his positive work ethic which resulted in the contracted job being completed on time and to approved costs.

Steven's after sales services and follow-up has been admirable.

Elite Builders exceeded my expectations and it was a pleasure working with Steven and his team.

I would be happy to provide further information regarding quality and effectiveness and can be contact via email on pacresourcesltd@xtra.co.nz or via phone on 027 4 881 867.

Sincerely yours

Brenda Paul
